Working Programme Paris Congress, 1-6 October 2010, France

Like in previous years we also put the Working Programme for the Paris Congress 2010 to a vote by correspondence before the ExCo earlier this summer. The purpose of this was to be able to present the Working Programme already at the ExCo meeting in Buenos Aires in more detail so that the questions can be introduced and the feedback from that introductory session can be reflected in the Working Guidelines which will be finalized immediately after the meeting.
