IP Australia welcomes the World Intellectual Property Organization (WIPO) to Australia in March as part of their worldwide roving seminar series.

Don't miss this special opportunity to learn directly from senior WIPO experts about:

- the latest developments and trends in intellectual property in Australia and around the world
- practical tips for alternative dispute resolutions
- updates on international systems for the protection of IP rights and future developments

Earn CPE hours by participating in this seminar:

- 3 hours CPE to registered patent attorneys and attorneys jointly registered as both a patent attorney and a trade marks attorney (1 hour each for patents, trade marks & international matters), and
- 2 hours CPE for registered trade marks attorneys (1 hour each for trade marks & international matters)
