September 14, 2017, 42-1 Bolshoi Blvd., Technopark, Skolkovo Innovation Center, Moscow

Are you looking to take your business overseas but not sure how to protect your intellectual property (IP) rights? Or do you represent businesses and want to hear about the latest developments in global IP systems? Then sign up to attend the WIPO Roving Seminar, to be held in Moscow on September 14, 2017.

In this event, senior representatives from the World Intellectual Property Organization (WIPO) will lead an interactive program of discussions that are sure to be of interest to anyone involved in the international protection of IP rights.

The event will provide an introduction to WIPO services and initiatives, including international systems for the protection of IP rights, alternative dispute resolution and infrastructure for the exchange of IP information. There will be plenty of opportunity for debate and discussion, as well as interaction with Rospatent and local business representatives. A full program is available.

In order to register your interest, please fill out the registration form available here:
