

AIPPI CONGRESS RIO DE JANEIRO

October 10 - 14, 2015

Panel Session IV

Industrial designs: form over function?

Tuesday, October 13, 2015

09.00 – 10.30

Speaker:

Lili Wu

(China)

Curriculum Vitae

Lili Wu

Lili WU is a Patent Attorney in CCPIT Patent and Trademark Law Office in China since 1997. Ms. Wu's practice ranges from patent drafting and prosecuting work to representing clients on invalidation or patent infringement litigation cases before the Patent Reexamination Board and courts. She has extensive and enriched experience in helping clients to obtain valuable patents in China and especially specializes in consulting clients on strategies of enhancing patent protection in China in software and design related fields.
