Curriculum Vitae

Hugo Caro

Dr. Hugo Caro joined Ferrer Internacional SA in March 2003, as head of the Intellectual Property Department, where he manages all IP issues for all the companies within the Ferrer Group. He obtained his B.Sc. in Chemistry at the University of Buenos Aires, Argentina, and his Ph.D. in Chemistry in 1993 after attending the Universidad Autónoma de Madrid, Spain, and Oxford University, U.K., where he specialized in Glycobiology at The Glycobiology Institute. He then joined University College London as Senior Scientist at the Molecular Pathology Department from 1993 until 1996. In 1996 he was one of the founders of Rodaris Pharmaceuticals Ltd., an UCL spin-off company where he was appointed Head of Medicinal Chemistry. He is well acquainted with small and medium size biotechnology and pharmaceutical companies and patenting issues related to this area.

He joined AIPPI in 2004, where he represents Ferrer Internacional S.A. and he has been a Delegate for the Spanish Group at Exco and Congresses since 2008. He also participated as Member of working groups at national level for Q217, Q228 and Q233 and he has been a Member of the Board of the Spanish National Group during the 2010-2014 period.

He has participated as panellist at the 2nd Annual Meeting on the Unitary Patent and Unified Patent Court Conference in Paris (Premier Cercle, July 2014) and at the Global IP Exchange in Munich, March 2015. He has recently been honoured as 'Corporate IPStar 2015' for Spain by the 'Managing IP' Journal.
