Q5

What can you tell us about the Study Question preparation/submission process within your group? Please include details on the participation of members from different professional backgrounds and encouragement of young member participation.

Each Study Question group was limited to 10 people in order to ensure the effective work progress and attendees selected as first-come, first-served basis. Each group had involved both young and experienced members including in-house practitioners. Each Group selected their own Chair within the respect of higher experience at the association members.

After the completion of the national answers, every Q had been circulated within the all the members of the Turkish Group in order to obtain further comments from all members.

Finalized National Group answers of the 2019 Study Questions effectively completed and all reports were submitted to the Bureau within the deadline in a timely manner.

After the completion of each Q Resolution in London 2019, a Roundtable Meeting had been organized for all AIPPI Turkey members in order to obtain their views on the final resolutions.

Q6

How did the NRG and its members participate in international AIPPI Committees work in 2019?

We could not been able to access SC annual report booklet of 2019 via new AIPPI website. Thereof, we could not been able to provide information for this particular question.
