Dear Madame President and the Leadership of Ukrainian National Group

It is with the greatest sadness that I am contacting you to convey my wishes and hopes, and indeed the wishes and hopes of each and every member of the Bureau of AIPPI, that the members of AIPPI in the Ukraine and their families are and will continue to remain safe and well. It is impossible to describe with words our feelings concerning the destruction of society within Ukraine and the loss of human life.

We all hope and pray that peace will return soon.

We are not sure if this letter will reach you by email, and we are therefore placing a copy of it on AIPPI's website.

Yours sincerely,

A handwritten signature in blue ink, appearing to be 'Luiz Henrique do Amaral'.
